

COVID-19 testing and isolation advice

People with symptoms of coronavirus (COVID-19), however mild, should get tested.

The symptoms of coronavirus (COVID-19) are:

- Fever
- Chills or sweats
- Cough
- Sore throat
- Shortness of breath
- Runny nose
- Loss of sense of smell or taste

You can get tested at **BDH**, call **03 54515200** and our reception staff will ask you a series of screening questions and advise you where to go and at what time.

BDH COVID screening clinic offers a drive through, stay in your car service between 12:30pm -1:30pm Monday to Friday, and at other times by arrangement.

All symptomatic (suspected cases) **MUST** isolate until the result of testing is available.

If positive, isolation as a known case is required.

There is no requirement for further isolation on receipt of a negative result.
